# Western Undergraduate Exchange (WUE)

---

## | America's largest regional interstate tuition savings program

The Western Undergraduate Exchange (WUE) is an agreement among WICHE's 16 member states and territories, through which 160+ participating public colleges and universities provide steep nonresident tuition savings for Western students.

Through WUE, eligible students can choose from hundreds of undergraduate programs outside their home state, and pay no more than 150 percent of that institution's resident tuition rate.

Since full nonresident college-tuition rates may exceed 300 percent of resident rates, WUE increases affordable higher-education choices for students, and minimizes the adverse impacts of student loan debt.

### **Saving through WUE is simple.**
