

Grad Night - Memory Lane

Senior Parents of the Class of 2018

One of the awesome things that will be on display at Grad Night is an 8x10 collage of your child through the ages - we need YOU to provide us with one! **We need this by May 21!**

Here's some info that can help you out!

- 8x10 color collage
- No originals! You will NOT get this back!
- Everyone will see these - no embarrassing photos!

Now — how on earth do you even start?? Here are some sites that can help! If you aren't tech savvy, you can do it the old fashioned way and cut and glue!

- <https://www.canva.com/>
- <https://www.befunky.com/create/collage/>
- <https://www.photojoiner.net/collage-maker/editor>
- <https://spark.adobe.com/make/photo-collage-maker/>

After you create your awesome collage, you can upload to Walgreens or many other places to print, or put it on a thumb drive or disc and take there to print! After you have it done, take it to the admin building and ask that it be dropped in the Grad Night mailbox!

YOUR DEADLINE IS MAY 21!
