

Professional Human Development Academy

The Freedom High School Professional Human Development Academy (PHD) seeks students with a desire to make a difference in our world! Students selecting this academy will focus on careers that provide services to others in society. The PHD Academy offers a wide variety of exciting courses for students. Elective courses in our Academy give PHD students the opportunity to have real life experiences. The PHD Academy prepares students to meet their future through internships, job shadowing, exploring careers and by offering elective courses geared toward future occupations.

PHD Academy elective courses focus on the following career choices...

Doctor	Nurse	Lawyer	Para Legal
Teacher	Counselor	Pre-School Teacher	Administrator
Police Officer	Firefighter	Forensics	EMT
Psychologist	Sociologist	Social Worker	Mediator
