

12TH GRADE PLANNING

- Make list of college characteristics that are important to you; i.e. regions of the country; cost; schools that offer particular majors, etc.
- Take a career assessment for free:
 - yourfreecareertest.com, collegemajors101.com, cacareerzone.org
- Check college requirements, make sure you're fulfilling the necessary requirements for the college you plan on attending. Research your major and the admission requirements or "recommendations" (especially for UC's or Private Universities).
- Explore college degrees
 - **CSU:** www2.degrees.calstate.edu
 - **UC:** www.admission.universityofcalifornia.edu/campuses-majors/majors
- How to apply- double check admission application deadlines & requirements
 - **CSU's** www2.calstate.edu/apply
 - **UC's** www.universityofcalifornia.edu
 - **Historically Black Colleges** www.HBCUconnect.com
- Take the ACT/SAT- Make practice apart of your routine, take free practice tests on <https://collegereadiness.collegeboard.org> and test prep on khan academy**if needed for your specific schools*
- **Apply for scholarships!** Local scholarships open December 2nd at 8 a.m., visit the College & Career Center webpage for outside scholarship info.
- Apply for financial aid! Ask about WICHE and WUE to save money on tuition.
- **Attend the LUHSD district wide College night October 20th- 6:00-8:00 PM at Freedom High School**
- Plan to visit colleges, and attend informational Career Center events when colleges plan to visit. **Note: some might be virtual tours.*
- Visit the College & Career Center (or the website) for SAT, PSAT, ASVAB practice tests!
- Stay updated by listening for the daily announcements, checking the College & Career webpage, checking out your counselors canvas page, and following us on social media!

Please check the schools admissions requirements on whether or not SAT/ACT scores are required. See the Career Center if you need assistance in researching.
