ELL

Just a reminder that one of LUHSDs criteria for students to Reclassify is the student's performance on a ELA District Common Assessment or their ELA SBAC. Here is our districts Reclassification criteria:

- Score of Level 4 on Summative ELPAC
- C- or better in English
- 2.0 + GPA
- Score of Proficient on DCA/Standard Nearly Met on ELA SBAC
- Parent Approval

We do have several students that scored a Level 4 on the ELPAC from last spring, but did not have one or more of the other criteria they needed to earn their Reclassification in their second semester. We can still use their score and the criteria from the first semester of this school year. If you have a student that could still earn their reclassification I will be reaching out to give you a heads up.

Thank you for supporting our EL students.

Special Education

You will receive emails from students' case managers to notify you about each student's IEP at a glance and any additional information needed to support the student

When you take attendance in Aeries, there's a column that says IEP. If a student has an M in that column, they have an IEP. All IEPs at a glance are uploaded to Aeries under OTHER then STUDENT DOCUMENTS.

SpEd/ExCel teachers will be doing a PD presentation for departments on Wednesday 8/7 to give you more information about how to locate important information and how to read students' IEP at a glance.
