## Chapter 10: Poltical Campaigns & Elections

**ACROSS** 

- 1 Before a candidate can develop a strategy he or she must establish this
- 5 this law was supposed to limit the use of soft money in campaigns
- **12** Southern states used to stop African American voters from voting by charging these
- 13 In order to do this, you must be a legally reistered voter, a US citizen and at least 18 years old. The people most likely to do this are old, rich and educated.
- 14 in this type of election, voter turnout is highest
- 16 in this type of primary, an independent voter cannot vote
- 17 this has been criticized for being undemocratic because a the candidate with less votes can still win the presidency
- 18 Amendments 15, 19 and 26 expanded these

## **DOWN**

- 2 these are the main source of fiunding for elections campaigns
- 3 This group has been allowed to vote since our nation was founded
- 4 African Americans benefited the most from this law
- 6 this law allowed native americans vote
- 7 After these, candidates try to keep their base motivated and attract moderate voters
- **8** during the campaign, candidates pay the most attention to the voters from these states
- 9 this person usually announces that a candidate seeks elected office
- 10 fifty percent or more of the vote is called this
- 11 funds that can be used to move a campaign forward
- 15 contributing to both campaigns ensure that the donor has this
