

Chapter 8: Parties, Interest Groups and Public Policy

www.CrosswordWeaver.com

ACROSS

- 2 this party attracts minorities, favors regulating business and gun ownership, and wants a strong central government to solve problems
- 5 people who are not satisfied with major political parties form these parties
- 9 Socialist, Reform and Green are this type of party
- 10 These are the main sponsors of political action committees. Their goal is to persuade officials to actively support their interests
- 11 the purpose of these is to collect campaign contributions and to fund campaigns

DOWN

- 1 a statement of the party's position on important issues
- 3 Getting candidates elected is the goal of these
- 4 these people provided information on public issues and help government official function more effectively
- 6 this party wants less government regulation, is against minimum wage, opposes same sex marriage and abortion and favors tax cuts
- 7 Examples of citizens groups are the ALCU and this
- 8 an example of this type of political party would be one that deals with women's issues or abortion
