Information for parents and educators about this handwriting lesson.

Tips to help promote fine motor skills.

- Encourage children to participate in sports and games that could improve visual, motor, and coordination skills, such as playing ball, jacks, marbles, and outdoor sports.
- Require children and teens to use silverware when eating to develop hand grip.
- Provide an activity that exercises the hands, such as cutting pie dough or pizza and using cookie cutters.
- Encourage writing handwritten letters to grandparents and friends.
- Provide lacing activities such as large beads or macaroni.

A note about the handwriting fonts used in this activity.

www.tlsbooks.com has purchased a license from <http://www.educationalfontware.com> that allows us to use their fonts for worksheets we produce.
