

2022-2023 12th Grade College Planning

AUGUST

- Begin your college search! Make a list of college characteristics that are important to you; i.e. regions of the country; cost; schools that offer particular majors, safety school, etc. Check the college catalogs available in the Career Center. Be sure to research on the computer. (Ex: www.bigfuture.collegeboard.org, www.californiacolleges.edu, & mycollegeoptions.org)
- Use an email that is appropriate for interacting with the adult world (i.e. future colleges, military reps, bosses, etc.). If you don't have one, create one and keep track of your passwords.
- Check college requirements and meet with your counselor for grad-check. If you plan on playing collegiate sports be sure to check your Core Course Completion. **Eligibility check list, available @ <https://web3.ncaa.org/hportal/exec/hsAction>**
- Take the necessary entrance exams for college: SAT Reasoning OR ACT (w/writing) and SAT Subjects tests, check if the schools you're interested in are requiring the SAT/ACT.
- UCs, CSUs, and NCAA are currently NOT requiring SAT/ACT exams for admissions for Fall 2023. Submitting a score is optional for these campuses, please check individual Universities to confirm.
- **Test dates & study information is available in the College & Career Center.**
- Tests should be taken by **December**. REMEMBER TO REGISTER BY THE DEADLINE.
- You can register online@: ACT: www.actstudent.org and SAT: www.collegeboard.org
- **Military —Get connected with a military representative.** The Career Center has contact information.

SEPTEMBER

- Make a list of all your accomplishments, achievements, & community service while in high school. This is valuable information for college and scholarship applications.
- Be sure to listen to announcements and sign-up for college visits in the Career Center.
- Review private/out of state institutions' web sites for application process, eligibility requirements, and deadlines.
- SOME colleges will request Letters of Recommendation as a requirement for college applications & scholarships. If requested, utilize the Student Request for Letter of Recommendation [form](#), found on the College & Career Center website. (Provide a minimum two-week notice, not including school breaks and weekends.)
- Begin final edit of your UC Personal Insight Questions, if not already completed in your English class. Link to the prompts: <https://admission.universityofcalifornia.edu/how-to-apply/applying-as-a-freshman/personal-insight-questions.html>
- Look for institutional scholarships for each college that you apply to. **Register at www.fastweb.com**

COMMON QUESTIONS:

- Are there scholarships for community college as well as a 4-year college? **YES** – you can find out more by visiting the college's Financial Aid Office.
- Can the Local Scholarships be used at a community college or trade programs? **YES** – you never know what you can get, until you apply.
- If I go to a community college, do I need to complete the FAFSA? **YES** – there are grants and waivers available.
- My parents make too much money, should I still complete the FAFSA? **YES** – let FAFSA make that decision, there are so many factors involved.
- Do colleges really look at my social media profiles? **YES** – be careful what you post, it never goes away.
- Can a college rescind my acceptance? **YES** – your acceptance is contingent upon how you finish high school.
- Are all college admission processes the same? **NO** – so keep track of admission requirements and deadlines.
