

AP Psychology

These assignments are for both Mr. Clarke and Mr. Lee, AP Psychology

For the first week of our Covid-19 distance learning in AP Psychology, we will be reviewing the material from the textbook that supports what you need to know for the modified AP Psychology Exam.

1. The assignment is to complete the multiple-choice questions at the end of each Module and Unit of your textbook for Units 1-2.
 - a. **Assignment:** The questions you need to answer are on the following pages of your textbook (you can download these instructions here to use as a checklist):

<u>Page</u>	<u>Multiple-choice problems</u>
8	1-5
18-19	1-5
25	1-5
26-27	1-15
37	1-4
44-45	1-7
54-55	1-5
62-63	1-4
70	1-4
71-73	1-15

- b. **Instructions:** You do not have to write out each question, just write the number of the question from each module or unit and the letter answer, a – e, for each question. Your responses can be written out on paper or completed digitally.
 - c. **Due date:** You can send a photo or digital copy of the assignment to your teacher (Clarke or Lee) by email or Remind by **Friday, April 10th at 3:00 pm**. If you are unable to send the assignment digitally, please keep the hard copy and we will be able to check it at a later date.

Mr. Clarke and Mr. Lee will contact each of their classes separately to do other activities during the week.
