

These assignments are for both Mr. Clarke and Mr. Lee, AP Psychology

For Week 3 (4/20-4/23) of distance learning in AP Psychology, we will continue to review the material from the textbook that supports what you need to know for the modified AP Psychology Exam. We will be skipping Unit 5 for now and completing the review for Units 6 & 7 so you can review what is most important for the AP Exam. **Note that the assignment is due this Thursday.** We have a holiday on Friday 4/24 and Monday 4/27 and we would really like that you try not to do homework this coming weekend. That is, take a break for the weekend! The next assignment will be posted on Tuesday, 4/28 by 9:00 am.

1. The assignment is to complete the multiple-choice questions at the end of each Module and Unit of your textbook for Units 6-7.
 - a. **Assignment:** The questions you need to answer are on the following pages of your textbook (you can download these instructions here to use as a checklist):

<u>Page</u>	<u>Multiple-choice problems</u>
274	1-6
285	1-4
291	1-5
303	1-5
310-311	1-5
312-314	1-15
328	1-5
339-340	1-5
354-355	1-5
360	1-3
371	1-4
383	1-4
385-387	1-24

- b. **Instructions:** You do not have to write out each question, just write the number of the question from each module or unit and the letter answer, a – e, for each question. Your responses can be written out on paper or completed digitally.
 - c. **Due date:** You can send a photo or digital copy of the assignment to your teacher (Clarke or Lee) by email or Remind by **Thursday, April 23rd at 3:00 pm**. If you are unable to send the assignment digitally, please keep the hard copy and we will be able to check it at a later date.

Mr. Clarke and Mr. Lee will contact each of their classes separately to do other activities during the week.
